Law enforcement boost efforts to combat impaired driving

Crystal Lake Park District Police announced today it will conduct special patrols this Super Bowl weekend cracking down on impaired drivers. This is a joint effort with other local municipal police agencies. The patrols are funded by a grant through the Illinois Department of Transportation, Traffic Safety Division.

We are reminding everyone that if you choose to drink and drive in the Crystal Lake area this weekend, you will lose. If you plan on drinking alcohol while cheering on your team, pass your keys to a sober driver before the Super Bowl party begins. Follow the rules or law enforcement will arrest you.
