CRYSTAL LAKE PARK DISTRICT

Tree Donation Program

For in the true nature of things, if we rightly consider, every green tree is far more glorious than if it were made of gold and silver.

Martin Luther

THE MEMORIAL TREE WALK AT WOODSCREEK PARK

Woodscreek Park, located at the corner of Golf Course and Ackman Roads in Crystal Lake, is home to the Memorial Tree Walk. Your tree will be planted along the .5 mile walking path meandering through the park, next to a scenic pond.

TREES FOR OTHER PARKS

Trees may be donated to other parks within the district. Please call the Park Planner to discuss other locations.

TREE INFORMATION

Your tree will be planted in May or October. If the tree dies within the first year after planting, it will be replaced at no charge. Replacements after one year are optional, and the donor is responsible for the cost. The tree will be purchased from a local nursery and will be locally grown for hardiness. The cost of the tree includes planting and maintenance.

To protect the tree from damage or disease, donors may not decorate the tree or leave personal mementos at the planting site.

PLAQUES

Trees donations are publicly recognized with an engraved brass leaf that is placed on the Tree of Life in the Crystal Lake Park District Administrative Office. For an additional fee, a tree marker can be made with your customized message and placed on the tree.
