Wingate Prairie

An Illinois Nature Preserve
Crystal Lake Park District

For your continued enjoyment of this nature preserve, please:
Stay on the trails
Don't pick -- this year's flowers form next year's seed.
Help keep your park clean of man-made litter.

Volunteers are needed to improve and maintain the prairie.

If you can, please join us at the Lorraine Street parking lot:
Mondays at 2:00 P.M.
Or, the first and last Saturdays of the month at 9:00 A.M.
We look forward to meeting you.

Sincerely,

The Friends of Wingate Prairie
