

# April 2019

Dear Barlina House Families:

Spring is finally here! We look forward to more outdoor play time to help develop our large motor skills and fill our lungs with fresh air! We sure need it. Hope everyone had a great Spring Break.

We will be celebrating the *Week of the Young Child* during the week of April 8 - 11. This is a special week for the young children. All the classes will work together on an art project, sing and dance together and share great books which they have created. You will be receiving a blank book the first week of April. You can create a book with your child and send it back to school, so they can share it with their class. This is a great way to celebrate our special week.

Attention all Moms (or grandmothers, aunts, etc.) please *"SAVE THE DATE"* of May 9 (T/TH classes) or May 10 (M/W/F classes) for our special Mother's Day Celebrations from 9:00-10:30 am. Further information regarding this special day will be sent home closer to the event.

Preschool registration for next fall is currently underway. You can do this on-line or at the Administration Office. If your child will be attending Barlina House next fall, please be sure to register early to assure your child remains in the program.

Registration for summer camp is also on-line. The camp starts June 10 and offers three 2-week sessions during the summer months. This is a great program to introduce children to the preschool environment and also as an extension of preschool to build on social, physical and intellectual skills during the summer months. Please refer to the Park District's Summer Camp Brochure or website for more information regarding this summer program.

*"It takes a big heart to help shape little minds"*

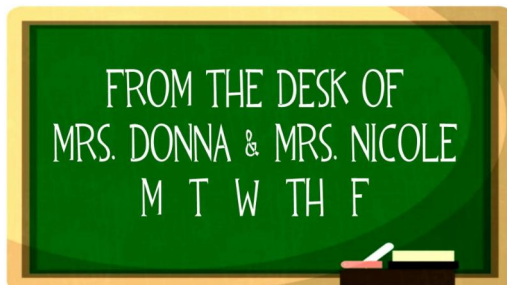

Sincerely,

Donna MacGrindle, Barlina House Director
