

FEBRUARY NEWSLETTER 2019

Mrs. G and Mrs. Tracey Monday/Wednesday/Friday Class

February is a short month for us but still very busy. We have a gym day scheduled at Grand Oaks on February 8th, Mrs. Z is returning February 20th and Vision and Hearing screenings will be held during class times on February 11th. No preparation is needed for these screenings. The children listen with headphones to some "beeps" and look into a machine that looks like a microscope. We are also closed on Monday, February 18th for President's Day.

For our Valentine's Day celebrations on February 15th, you are welcome to send in cards for your child to share with classmates (sorry no food or candy items). Please do not address the cards to classmates as they are "delivered" while children are seated in a circle. However, we encourage you to help your child sign their own name on the cards. Signing a few each day makes this task possible and fun.

Our dramatic play area had a Pizza Hut restaurant last month! The children were so excited to take turns to prepare pizza for their friends and serve them just like in a real restaurant. Last month we also started our question of the day. The first question was "How old are you?" followed by, "How many cars are on the table?" We started working on number recognition and counting skills in addition to our alphabet. This month we will concentrate on letters Y, Q, S and U.

Keep working on your phone numbers and addresses that are in our helper box. Maybe your number or address will be picked next!

We will celebrate Valentine's Day on Thursday, Feb. 14th and Friday, Feb. 15th. The children are welcome to bring cards to share with their classmates. We do not allow food items to be distributed due to severe allergies. We will offer a "Valentine's Workshop" on Saturday, Feb. 9th, from 10:00 - 11:00 am. The children may bring their Valentines, and we will help them sign their names. In addition, we will complete a craft project. More information can be found in the Crystal Lake brochure on page 25.

The McHenry County Health Department will conduct Vision and Hearing Screenings on February 11th and 12th. Further information will be sent home and include a practice sheet for you to use with your child. The screening will be easier for your child if he/she knows what to expect.

District 47's Kindergarten registration will be at their C.O.R.E. Center, 300 Commerce Drive on February. 20th and 21th. Information is available on the District's website, www.d47.org.

I have created an online survey for the first half of the school year. I would appreciate if you would take a few minutes to complete it. This survey will help me see if we are meeting your child's needs and if there are other things you would like the preschool to offer. **The link is: <https://www.surveymonkey.com/r/Barlina>**. If you would rather have a paper copy, please contact me at dmaccrindle@crystallakeparks.org. Your feedback helps make our preschool the best it can be. Thank you.

Additional Park District activities are available for your child...check out the Park District website or brochure for more information. Here are a few:
