CRYSTAL LAKE PARK DISTRICT WAIVER & RELEASE OF ALL CLAIMS AND INDEMNIFICATION AGREEMENT

Crystal Lake Park District Waiver and Release of All Claims and Assumption of Risk

Important Information: The Crystal Lake Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Crystal Lake Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs. You are solely responsible for determining if you or your minor child/ward is physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. **Warning of Risk:** Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slip and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities exist. In this regard, it must be recognized that it is impossible for the Crystal Lake Park District to guarantee absolute safety. In the event of an emergency, I authorize the Crystal Lake Park District to secure any/all necessary medical attention from my accredited hospital and/or ward and further agree that I will be responsible for any and all medical services rendered. I further understand that my signature is required below in order to participate in Crystal Lake Park District programs.

WARNING OF RISK: Dog Park – There is a risk of serious injury, including death to the dog, its owner/handler or other persons or animals. Dogs are pack animals and when “off lead”, even the best-trained dogs will act instinctively. Understandably, not all hazards and dangers associated with dog activities can be foreseen. Certain inherent risks include the propensity of any dog to behave in dangerous ways that may result in injury to you, another person or dog. Other risks include, but are not limited to, the inexperience, negligence or irresponsibility of a dog owner/handler; the inability to predict a dog's reaction to sound, movements, objects, persons, or other animals; and actions by the dog due to fright, anger, stress, insect bites, or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, acts of God, inclement weather, slip and falls, premises defects, equipment failure, failure in instruction/supervision, and all other circumstances inherent to dog and/or outdoor activities. Should you attempt to break up a dog fight or restrain a dog, including but not limited to your dog, you may be attacked and severely mauled by your dog the other dog or attacked by another dog's owner/handler. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.
