

Willows Edge Park

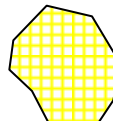

CRYSTAL LAKE PARK DISTRICT

Master Maintenance and Development Plan

2015-2016

-  Clear invasive understory brush 10 yards from behind neighbor's property lines.
-  Clear Invasive understory brush 10 yards on each side of paved paths.
-  Clear invasive understory brush at west end of bridge north of path.

2016-2017

-  Remove invasive trees and brush in prairie area. Burn prairie and add native seed.
-  Remove understory brush and create picnic grove.

2017-2018

-  Install small gravel parking lot for 10 cars.
-  Renovate and restore wetland area (headwaters of the Woods Creek Tributary)
-  Naturalize 20' border around pond edge.

Ongoing

- Continued restoration of native wetland and prairie areas.
- Continued restoration of understory—keep invasive underbrush cleared.
